

Uckfield & District Lions Club

EIGHTEENTH ANNUAL CAR RUN

Dear

Following the tremendous success of our previous **Classic Car Runs**, I am writing to invite you to, hopefully, participate with us on **Sunday September 26th 2021**.

This year, as I am sure you will appreciate, the organisation and arrangements will again have to be different and obviously subject to any future change in Government Regulation or Advice.

We will meet at 10.00am at The Halfway House Pub on A26, south of Uckfield, for coffee and biscuits and then drive by another scenic route through the Sussex countryside, a most beautiful and delightful area.

Having completed the route, or if you wish to just join us, we will assemble in the field at the back of The Halfway House Pub where we can social distance. We will be running a BBQ lunch for those who wish to participate. We would ask that you bring your own chairs and table as we will be utilising the field only and not the pub garden. We will be attending you with the refreshments.

These arrangements have been extensively discussed with our Health and Safety Team and with Mel and Rowan, the publicans, and have received their complete support.

This year has, so far been, very different and it looks like it may continue for the foreseeable future.

All monies we raise this year will go to PHAB and Kids Count. Both these local charities help to support children and young people who live with physical and social difficulties and have had their resources stretched and depleted over the last 18 months.

We hope we will be able to run this event and that Covid will not return to preclude it.

To register your interest for the event, or, if you wish to just receive the route in exchange for a donation, please complete the enclosed application form and return it to me, together with your remittance made out to The Uckfield and District Lions Club.

I do hope that you will be able to join us on this occasion and look forward to meeting you again after our enforced curtailments. If you know of other car owners who may be interested please let me know.

Yours,

Chris Macve
