Raising money to support good causes

Lions Santa Sleigh at Late Night Shopping and December schedule

Santa and his sleigh will be touring Uckfield again in December, raising money for good causes.

Santa along with his Elves will be in Olives Yard for Late night shopping on 5th December 5.30pm till 9pm. This is the only time that younger children will be allowed onto the sleigh to say hello and have a picture taken with Santa. Small gifts aimed at younger children will be handed out by Santa. Visiting Santa is free but donations are appreciated and all proceeds go to Lions Charity account for distributing to good causes around the Uckfield area

As Uckfield continues to grow, Uckfield Lions have had to make the difficult decision that the sleigh will no longer be able to visit the nearby villages.

The December Sleigh routes are displayed at the Lions Bookshop, included in the Late night shopping booklet and Uckfield Matters. Regular weather updates, should they be needed, are on the Lions Facebook page, Ashdown Radio and the Lions website link [Sleigh Routes & Updates](#) together with any rescheduled dates.

Also look out for the Lions Santa signs that will be visible in the area being covered that night.
